DFD-2329-60  
24 March 1960

MEMORANDUM FOR: Director, PIC

ATTENTION : Commander [REDACTED] 25X1A  
THROUGH : Chief, Development Branch, DFD 95  
Acting Chief, DFD W.B.  
SUBJECT : Disclosure of Invention under Contract No. BB-300,  
ITEK Corporation

1. Under the terms of Contract No. BB-300, the Contractor was to design and fabricate an Enhancement Viewer. The contract also provides that the Contractor shall furnish a written disclosure of any patentable item generated under the contract. Further, such report of disclosure shall indicate the Contractor's intention to file or not to file for a patent.

2. Attached hereto is a copy of ITEK Corporation's Report of Invention concerning the Enhancement Viewer. The Contractor has indicated that he does not desire to file for a patent. Further, he states there is some question of the item being patentable at all.

3. It is requested that the attached report be reviewed by your technical people. Your comments regarding the patentability of the item and whether or not the Government should file on its behalf for a patent would be appreciated.
